

To G's

All of you at Homecare,

David & I would like to
Thankyou for everything -

We love our little cabin -
the feel - all your hard
work.

Most of all Thankyou for your
patience & finances - we
really appreciated your understanding
and consideration so now we
are relieved!

We also hope that Eray (who
fell off our roof!!) is just
fine and recovered.

Once again many thanks
you're a great team!

Fond regards

Lesley and David
